Re: *James Doe v. Cornell University, et al.*  
*Civil Action No.: 3:17-cv-00402 (GTS/DEP)*

Dear Magistrate Judge Peebles:

We represent the defendants in this action. On June 14, 2018 we requested an extension of the deadline to submit Defendants' expert disclosure. Docket No 29. One of the reasons that we asked for an extension was to allow our expert time to determine whether an IME of Mr. Doe would be required, and for time to complete the IME.

Mr. Doe is scheduled to appear for an IME on August 7, 2018. We write to request an additional brief extension in Defendants' deadline to submit their expert disclosure up to and including September 7, 2018 to allow our expert sufficient time to complete his written report following the IME.

We have discussed this request with Plaintiff's counsel, who does not object. We do not object to a corresponding extension in the Plaintiff's deadline to submit any rebuttal expert report until September 28, 2018.

If these deadline extensions meet with your approval, please "so order" below.

Respectfully submitted,

BOND, SCHOENECK & KING, PLLC
